loganberry, mac's backs appletree are all wonderful stores, each with its own personality

as with other times of constrained energy supplies, such as the united kingdom during world war 2 or the united states during the 1970's oil crisis, rationing may also become a reality

i don't make a stink about it, but had i known they were going to serve me pepsi, i'd have switched the order to 7-up.

i stopped taking lam about a week and a half ago completely
